

Dear Students,

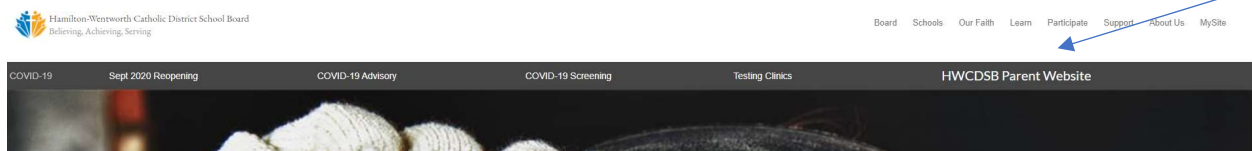

HWCSDB will be implementing a new password policy for all XXXXXX School student accounts. This policy will take effect on DATE and when a student logs into a Board computer or mySite they will be prompted to change their password.

The student password will be required to have the following complexity:

- Passwords may not contain any part of the student's username
- Be at least 8 characters long
- Contain at least 1 capital letter
- Contain at least 1 lowercase letter
- Contain at least 1 number or symbol

For your reference, please also see [Tips on creating a secure password.](#)

If you experience issues with your password following the password change, please go to the Technical Help Support Site found on the HWCSDB Board Website in the parent portal:

and submit a support request through the Tech Help Request Form:
