Dear Parent/Guardian:

Over the last few years, due to the decrease in profits from our cafeteria sales, we have been in desperate need to support the cost of running co-curricular programs. This includes support for tournaments and competitions, purchasing team equipment and uniforms, and co-curricular clubs. We have investigated a number of options and have concluded that a chocolate almond fundraiser campaign is our best choice to raise the needed funds.

We will be selling World's Finest chocolate covered almonds which will be distributed on Friday, April 4th, during the last period of the day. However, we will be flipping the first and last periods to accommodate the distribution of chocolate covered almonds. Therefore, we will begin the day at 8 a.m. starting with period 5 then proceed to periods 2, 3, 4 and end the day with period 1.

The \$3 chocolate covered almonds were chosen because they offer the highest profit return to the school. The chocolate almond boxes are also personalized for the school and each box has a coupon for 10% off at Pizza Hut. We are asking every student to sell at least one case.

Sellers will have a chance to win some great prizes. Each case sold will qualify the seller for a chance to win. The return money envelope will be their draw ticket. Our top sellers will also be well rewarded; including cash prizes of up to \$500! Further information will follow through announcements and in-class information.

On Friday, April 4th, the chocolates will be sent home with each student. Our sale will run until April 24th. Each seller will be asked to return the \$90 as soon as their case is sold. All unsold chocolates will be collected at a later date.

As a special bonus, each case sold qualifies the seller for a chance to win our World's Finest Chocolate representative's regional draw prize which includes a weekend family getaway to the Great Wolf Lodge, or an Apple iPad – winner's choice!

With the support of all our students and community we can make this a very successful fund-raising effort and all of our students will benefit! Thank you for your support.

Sincerely,

Michael Gravina
